1979 Editorial Index

Die Casting — **Month/Page**

1979 annual PM industries report ..... Nov. 33
Are die casting machines getting bigger? ..... Dec. 37
Computer talks thin wall zinc ..... Apr. 31
1979 Custom Producers Showcase ..... Apr. 17
Custom Producers Showcase winners ..... Aug. 28
Die casters on die casting ..... Mar. 35
Die casting die failure and its prevention ..... Mar. 28
Die casting markets assured with value added ..... Sept. 125
Die casting measurement and instrumentation-I ..... Mar. 40
Die casting measurement and instrumentation-II ..... Apr. 34
Die casting provides strength ..... July 51
Die castings aid hoist redesign ..... June 62
Die casting show brings today's technology to the people ..... May 70
Die casting technical & product info ..... May 74
Die Casting Theme Center focuses on total service ..... Oct. 48
Die casting winners show innovation and quality ..... Apr. 59
Die cast mag & zinc add versatility to window hinge ..... June 60
Die cast zinc cuts CB parts costs ..... July 51
Die cast zinc solves telephone materials problem ..... Apr. 57
Do the impossible with zinc die castings ..... Dec. 17
Flash-free, cost-free ..... Sept. 137
How small can a die casting be? ..... Sept. 137
Lubricants & lubricating equipment ..... Dec. 38
Master Directory of custom die casters ..... Jan. 13
Master Directory of die casting materials equipment and services ..... Jan. 99
Master Directory of plants & process supplies ..... Jan. 238
MiniGuide to the die casting show ..... Mar. 44
Modular design with die castings ..... Sept. 134
New applications flow from brass die casting ..... Oct. 27
New die casting technology made easy ..... May 66
A new electrolytic zinc refinery goes on stream ..... May 65
Outstanding achievers are awarded SDCE's greatest honor ..... May 69
Products for die casters ..... Feb. 25
A 16% growth rate sparks optimism for die casters ..... Nov. 70
SDCE Conference papers ..... Feb. 19
Sources for dies & die making equipment ..... Oct. 54
Soviet casting system succeeds with Swiss-American ingenuity ..... May 62
Student projects highlight potential zinc applications ..... July 44
1979/80 Technical Literature File ..... Sept. 21
Thin-wall zinc use in automobiles increases ..... Mar. 51
Vacuum metallizing on die castings ..... June 68
Wheelchair wheels really roll on magnesium ..... Mar. 21
Zinc alloy replaces iron & brass ..... July 52
Zinc die castings increase telephone reliability ..... Feb. 31

Extrusion — **Month/Page**

Aluminum group develops energy-efficient windows and doors ..... Aug. 40
1979 annual PM industries report ..... Nov. 33
Bus manufacturer uses extrusions and innovations with success ..... Mar. 59
Control of noise in sawing of aluminum extrusions ..... June 52
1979 Custom Producers Showcase ..... Apr. 17
Custom Producers Showcase winners ..... Aug. 28
Extrusion equipment showcase ..... Nov. 66
Guide to extrusion equipment and supplies ..... Apr. 70
Lubricants & lubricating equipment ..... Dec. 38
Master Directory of custom extruders & drawers ..... Jan. 34
Master Directory of extrusion materials, equipment and services ..... Jan. 136
Master Directory of plants & process supplies ..... Jan. 238
Microcomputer systems for aluminum extruders ..... Aug. 35
Microwave ovens really cook with extrusions ..... June 61
New techniques highlight extruders meeting ..... Nov. 58
A quieter saw for aluminum extrusions ..... Dec. 29
Sources for dies & die making equipment ..... Oct. 54
Soviet casting system succeeds with Swiss-American ingenuity ..... May 62
1979/80 Technical Literature File ..... Sept. 21

Forging — **Month/Page**

Among the affluent, forge plant is a good neighbor ..... June 27
1979 annual PM industries report ..... Nov. 33
Bar mill offers more than new capacity ..... Nov. 45
Billet heater serves auto industry ..... Dec. 32
Cold headed mini-fasteners show upward trend ..... Mar. 70
1979 Custom Producers Showcase ..... Apr. 17
Custom Producers Showcase winners ..... Aug. 28
Forged brass terminal cap provides precision and good conductivity ..... June 60
Forgers informed on technical developments ..... June 37
Forgers look toward the future ..... Aug. 52
FIA premiers slide presentation ..... Dec. 35
Forging industry energy experts relate successful case histories ..... Apr. 51
Forging preforms from special sections can cut costs ..... Apr. 66
Forming equipment literature ..... Aug. 66
Forming Equipment Symposium features technology for the 80's ..... June 43
From blacksmith shop to modern forge ..... Aug. 50
Get the facts about forging energy ..... Dec. 35
Induction heating helps keep forge plant clean & productive ..... Dec. 31
Is there "forging quality" steel? ..... Nov. 52
Lubricants & lubricating equipment ..... Dec. 38
Master Directory of custom forgers ..... Jan. 44
Master Directory of forging materials, equipment and services ..... Jan. 142
Master Directory of plants & process supplies ..... Jan. 238
A new concept in forge billet heating ..... June 74
New forge shop completes first year and plans expansion ..... June 35

New high-strength alloy used in forged helicopter components ..... Sept. 140
Nuclear reactors brighten prospects of spin forging ..... Mar. 62
ODFI winter meeting features technical speakers, forecasts and roundtables ..... Apr. 56
Setup system cuts machine downtime ..... Nov. 47
Sources for dies & die making equipment ..... Oct. 54
Soviet casting system succeeds with Swiss-American ingenuity ..... May 62
Suppliers talk about forging equipment ..... Aug. 56
1979/80 Technical Literature File ..... Sept. 21
Tips on buying cold extrusions ..... Aug. 46
Upsetter reliability increases boltmaking productivity ..... Apr. 40
Van part forged in one operation ..... July 52
What's new in forging equipment ..... Aug. 64

Investment Casting **Month/Page**

1979 annual PM industries report ..... Nov. 33
1979 Custom Producers Showcase ..... Apr. 17
Custom Producers Showcase winners ..... Aug. 28
ICI plans twenty-seventh annual meeting ..... Sept. 139
Investment casting in the USA 1978-79 ..... Sept. 131
Lubricants & lubricating equipment ..... Dec. 38
Master Directory of custom investment casters ..... Jan. 59
Master Directory of investment casting materials, equipment & services ..... Jan. 188
Master Directory of plants & process supplies ..... Jan. 238
Prototype patterns for investment casting ..... June 45
Rubber molds reduce wax pattern tooling costs ..... Mar. 66
Sources for dies & die making equipment ..... Oct. 54
Soviet casting system succeeds with Swiss-American ingenuity ..... May 62
1979/80 Technical Literature File ..... Sept. 21

Powder Metallurgy **Month/Page**

1979 annual PM industries report ..... Sept. 33
Choosing the proper atmosphere for sintering-I ..... Nov. 74
Circular separator cuts powder reclamation costs ..... Mar. 68
Commercial applications for P/M titanium ..... Feb. 15
1979 Custom Producers Showcase ..... Apr. 17
Custom Producers Showcase winners ..... Aug. 28
Design your product with P/M forgings ..... July 19
Ingenuity of P/M design winners created money-saving parts ..... July 33
Lubricants & lubricating equipment ..... Dec. 38
Master Directory of plants & process supplies ..... Jan. 238
Master Directory of custom P/M parts producers ..... Jan. 74
Master Directory of powder metallurgy materials, equipment and services ..... Jan. 203
MPIF technical and products info ..... July 37
New steel powder offers high strength ..... July 43
New tool steel outwears carbide in P/M die ..... May 60
Powdered metal makes clutch practical for chain saws ..... June 51
P/M energy savings cited in industry study ..... Sept. 142
P/M press manufacturer introduces new fast setup units ..... Apr. 62
Powder metallurgy: the growth industry ..... July 28
Sources for dies & die making equipment ..... Oct. 54
Soviet casting system succeeds with Swiss-American ingenuity ..... May 62
Split-die P/M cuts nut cost ..... Nov. 63
1979/80 Technical Literature File ..... Sept. 21

Roll Forming **Month/Page**

1979 annual PM industries report ..... Nov. 33
1979 Custom Producers Showcase ..... Apr. 17
Custom Producers Showcase winners ..... Aug. 28
The endless applications for tubular shapes-III ..... Mar. 53
The endless applications for tubular shapes-IV ..... Apr. 45
The endless applications for tubular shapes-V ..... May 28
Heat treating systems for processing tube and pipe ..... Oct. 29
Improving roll forming productivity ..... May 23
Improving roll forming productivity-II ..... June 57
In-line operations broaden roll forming applications ..... May 17
Length adjustment replaces close I.D. tolerance ..... July 24
Lubricants & lubricating equipment ..... Dec. 38
Master Directory of plants & process supplies ..... Jan. 238
Master Directory of custom roll formers ..... Jan. 84
Master Directory of roll forming materials, equipment and services ..... Jan. 224
Roll formed galvanized steel makes housing inroads ..... Nov. 80
1979 Roll Forming & Tube Making Show-in-print ..... May 33
Sources for dies & die making equipment ..... Oct. 54
Soviet casting system succeeds with Swiss-American ingenuity ..... May 62
1979/80 Technical Literature File ..... Sept. 21
Tubing & tubing supplies ..... June 78
Welded steel tube design winners receive awards ..... June 66

Other Processes **Month/Page**

Advanced technology in a small town ..... Aug. 25
Cold drawing cuts bushing costs ..... July 46
The evolutionary design of Boeing's 767 ..... Oct. 37
Lamps turn on to zinc ..... July 40
Master Directory of custom permanent mold & split mold casters ..... Jan. 68
Master Directory of permanent mold & split mold casting materials, equipment & services ..... Jan. 199
Materials/processes show-in-print ..... Mar. 75
1979 Materials & Processing Show & Congress brings technologies together ..... Oct. 51
System helps turn scrap metal into money ..... Feb. 35
What's doing in St. Louis ..... Feb. 24
